# The Columbine Family Update

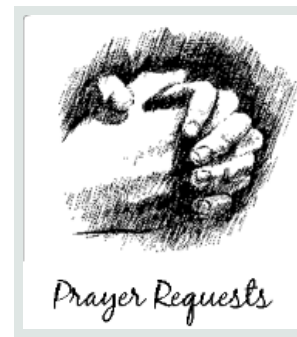

December 2018

## Merry Christmas!

Dear Family and Friends,  
**We want to wish you a Merry Christmas!**  
Emmanuel, God with us, we have had many opportunities to share the amazing message of God coming to us in the flesh to redeem our sins!  
Two weeks ago Michele had her last English class for

~**Pray** for Michele's English class, as they have heard a clear presentation of the Gospel and why Jesus had to come to earth.  
**Pray** they would respond

the semester. She was able to give out certificates to each student that earned them, share Christmas cookies with them and share the true meaning of Christmas and how Jesus was the ultimate gift.

We had a wonderful opportunity to host our Senegalese friends last weekend for a Christmas party. we read the passage in scripture pertaining to Christ's birth and Bo did an excellent job sharing the Gospel with our friends! It seemed to be received well.

Christmas Eve we will host a Christmas party for our colleges and Christmas day we will have a quite day at home, just the four of us.

A few days after Christmas we will be heading out to our house helpers village for 3 days for a Christmas celebration and a wedding.

Then, on New Years day we head to our missions beach camp for a week of rest and relaxation before jumping into the new year!

Our Prayer for you is that you would experience the Hope, peace and Joy that Emmanuel brings to us!

Enjoy your family and friends,  
Bo, Michele, Grace and Faith

in faith.

~**Pray** for our friends who

heard to the story of

Christ's birth and how he

came to save us from our

sin. **Pray** they would

respond in faith. And they

would ask questions about

what they heard.

~**Pray** for our trip out to

the village, that our

presence and message

would be light to that dark

place.

~**Pray** for our family

vacation at the beach camp,

that we would be refreshed

and enjoy sweet family time

together.

~**Pray** for our physical

health. We have all been ill

this past month with

colds/ bugs. Praise God we

are all feeling better now.

~ **Pray** for continued safety

on the road as we travel

here. Michele and Grace

were hit by a tractor trailer

truck earlier this week with  
damage to our vehicle but  
not affecting them  
physically. Praise God!

Michele with one of her students who received a certificate for English!
