Foundations—Ron Zaccardi

TBD

Psalm 11:3- "When the foundations are being destroyed, what can the righteous do?"
Foundations is designed to engage believers with the important message of the authority of Scripture, and the importance of taking God's Word as written- beginning with Genesis.

Worship and Discipleship—Eric Glover

TBD

In the Worship and Discipleship class, we will spend the first half of the year going through the Old and New Testament, learning what the Bible teaches about worshiping God. We will take an in-depth look at what the Bible means by "worship" and how it relates to every area of the Christian life. For the second half of the year, we will delve into the doctrine of Biblical Discipleship and consider with great detail the last command that Jesus gave to his followers, to go and make disciples of all the nations.

Joshua—Dana Edwards

Library

We'll be studying the book of Joshua. We'll see God's provision for bringing His children into the Promised Land and how it applies to our own walk, being more than conquerors through Christ. So whether you're a senior saint or a babe in Christ, come be built up together with us.
