# MONAHAN FAMILY

## Merry Christmas

### REMEMBERING THE BIRTH

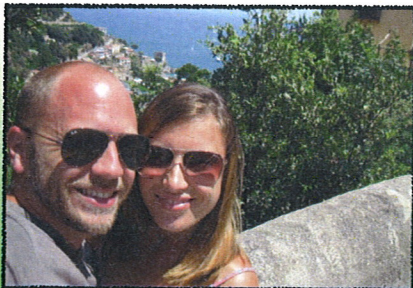

Christmas is not about the gifts. It is a special time of celebration to recognize that the timeless, spaceless, eternal, immaterial Second Person of the Trinity became flesh and dwelt among us. Collaborating in missions is a daily proclamation of the Birth of our Savior and Lord.

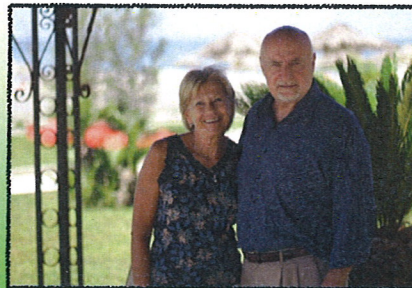

## Christmas Gifts

Cole Timothy and Mason Kenneth Grieco were born on November 27, so this was an early Christmas present for us. C. Timothy weighed 6 lbs. 5 oz. and M. Kenneth weighed 7 lbs. 10 oz. They were both over 19 inches in length.

Erin and Aaron are the proud parents. Erin had a difficult delivery, but as you can see, she gave birth to the most beautiful babies in the world.

**ENGAGED** Nate and Aksana are engaged to be married on April 27. They will reside in Philadelphia where Nate teaches elementary school and Aksana manages a bank.

**PROUD GRANDPARENTS** Nonno e Nonna continue to prepare Italians to lead churches and to defend the faith. Tim has turned over the leadership of the church and develops the theological school he started.

**PROUD PARENTS** Erin and Aaron will now face the challenge of parenting. They are loving and diligent parents and will do a great job. Our prayer is that one day Cole and Mason come to know our Savior.
